Ian Hi
Thx. I'll call John tomorrow.
Re your visit. I assume you're not employed visiting 24/7. I'll be ready to adapt my schedule and venues to your constraints.
Looking forward

He will check into the schedule of our visit. As it is a semi official visit it may be difficult to change the programme but let's see what he comes back with. All the best Ian.

I have a call into the CEO, John Festival, an experienced professional who knows the business inside out. As I said I plan to visit Israel (and the West Bank actually) as part of a business delegation led by the Marcus Wallenberg, the Chairman of the Swedish bank SEB. I hope we there will be an opportunity to meet again then.
